

PERFECT ICE TEA

Hot-Brewed at Home

1. Bring water to a boil in tea pot.
2. Pour 4 cups of water over 5 tea bags. Use a pyrex glass measuring cup.
3. Add honey or sugar to taste to the hot brew. (sweetener will dissolve)
4. Allow to brew for 4~5 minutes. Remove tea bags.
5. Allow brewed tea to cool.
6. Pour into a large glass pitcher.
7. Add water to make 1/2 gallon.
8. Refrigerate.

This only takes minutes.

It saves \$\$\$\$ and it keeps plastic out of the environment.
